## **Qualifying Exam**

---

**This examination will determine whether the student proceeds to the next level: Level 3 (National)**

**Students who secure marks above the set cut-off mark will be awarded the Achievement certificates and others will be receiving the Appreciation certificates.**

**Results of this exam will be released in our website within 20 working days after the exam. The contestants who fall under the Achievement category are eligible to register for the National level examination. On registration, an additional preparatory book will be provided to equip the students for the supplementary rounds of the National Level.**

## **Tie round**

---

**This additional test paper will help us to find the rank holders, i.e. award winners!**

**Though every state level contestant writes this paper, not all the papers will be evaluated. Only if the student falls under the TOP 10 RANK HOLDER CATEGORY, his/her tie paper will be evaluated to find the Toppers and break the tie (if any). Please note that the marks obtained from tie round will NOT be added for other students of Achievement or Appreciation category.**

**The results will be announced in our website only after the completion of all the phases of Regional/State level exams and paper evaluation.**
